

How it works

Buy eGift at face value on ShopWithScrip.com or the mobile website, MyScripWallet.com. (We are not ordering physical gift cards, just eGift cards.)

Easily pay online and earn a rebate between 2% and 16% that immediately goes toward funding for our organization. (These sometimes increase during promos.)

Use your gift cards for your everyday shopping. Access eGift cards from your phone!

Go to: **ShopWithScrip.com**

Presto Pay:

The next part to Scrip is to enroll in Presto Pay.

This securely links your bank account to your ShopWithScrip account. It will allow you to instantly purchase *ScripNow E-gift cards*, wherever you are, (for over 400 retailers/companies). Your bank account will be electronically debited, the rebates you earn are automatically credited to our school, and you'll receive your [ScripNow](#)® eCards funds in a matter of minutes! (There is a tiny convenience fee of \$0.15 per order, no matter how many gift cards you're buying at a time.)

It's easy to get signed up.

1. Sign into your ShopWithScrip account
2. Click on on Dashboard, Family Functions, Payment Types.
3. Follow the steps to enroll by either instantly linking your bank account or entering banking information manually.
 - o Manually entering your information will take 1-2 business days to process, so link it now to start earning. :)
4. You'll be ready to pay for your orders with Online Payments (PrestoPay).

When you have done that, go to [MyScripWallet™](#). There you can order eGift cards, use online payments at checkout, and access your scrip right on your smartphone. You can shop for scrip whenever and wherever you need to—no planning ahead necessary. You can save the link and add to home screen for fast and easy access. You sign in with the same user name and password you created for ShopWithScrip.com.
